The UTHSC-H Postgraduate School of Dentistry is composed of three types of students: postgraduate, graduate, and resident.

A postgraduate student is a dentist registering and paying tuition and fees for courses leading to a certificate in advanced general dentistry or a dental specialty area.

A graduate student is a dentist registering and paying tuition and fees for courses leading to a master of science degree and a certificate in advanced general dentistry or a dental specialty area.

A resident is a dentist who receives training in a specialty area, is paid a stipend, and who receives a certificate of completion. Residents do not register in courses, nor do they pay tuition.
