Graduate School of Biomedical Sciences Students by Institutional Affiliation 1997-2006

Source
Jon Wiener
Graduate School of Biomedical Sciences

a In Fall 1995, all faculty previously appointed in the GSBS were organizationally relocated to other schools. As such, students are now affiliated with faculty members' organizational location.
b Includes 5 students from the Institute of Molecular Medicine.
c Registered, non-degree students and students who have not formally chosen an advisor.
d GSBS totals do not tie to certified enrollment reports due to timing issues.

2b Degrees Conferred by Academic Program 2006

Source
Robert Jenkins
Office of the Registrar

Totals include degrees awarded between September 1, 2005 and August 31, 2006.
Students enrolled simultaneously in two programs (i.e., MD/PhD program) are counted in only the program for which they have received their degree or certificate.
Schools do not confer all degrees/certificates.

Medical School Graduating Class Specialty Choices 2006

Source
Patricia Caver
Medical School

The students who completed their MD degrees at UTHSC-H requested residency training positions in the specialty areas indicated; of the 206 graduates in May 2006 86 (41.5%) chose a primary care specialty.

a Students who are already matched to a PGY-2 position are counted with that specialty and not with the specialty represented by their PGY-1 position.

Note: Numbers may not add due to rounding.

Specialty	Graduates 2006	
	Number	Percentage

The UTHSC-H Postgraduate School of Dentistry is composed of three types of students: postgraduate, graduate, and resident.

A postgraduate student is a dentist registering and paying tuition and fees for courses leading to a certificate in advanced general dentistry or a dental specialty area.

A graduate student is a dentist registering and paying tuition and fees for courses leading to a master of science degree and a certificate in advanced general dentistry or a dental specialty area.

A resident is a dentist who receives training in a specialty area, is paid a stipend, and who receives a certificate of completion. Residents do not register in courses, nor do they pay tuition.

Student Financial Aid Profile 1997-2006

Source
James Fore
Office of Student Financial Services
Award information is given by academic year
(i.e., 2006 = Fall 2005 through Summer 2006).

- a June 30, 1993, the Department of Education initiated a new default rate calculation for the Perkins Loan Program. The new default rate calculation, called the Cohort Default Rate, looks at borrowers entering repayment in a specific one-year period. As of June 30, 2006, the Cohort Default Rate for the Perkins Loan Program was 1.27% for the Year Ending June 30, 2006.
- b Principal and interest, investment income and late fees.
- c As of June 30, 2006 overall default rates.
- d Previously reported 2005 figures revised.

2b Student InterCouncil

Source

Betty Vaughan
Academic Affairs

The Student InterCouncil (SIC) is the recognized forum of student opinion and the primary vehicle for student participation in university governance. The organization comprises representatives from each of the six schools and from the minority and international student constituencies. The SIC contributes to the quality of student life by participating in the development and implementation of policies and procedures affecting students; providing funds to support special projects of individual students and other student organizations; representing student interests on external and internal committees; improving communication among the schools through the *Student News and Views* bimonthly publication; and planning and implementing activities that address the special needs of students. Each year, the SIC sponsors a fund raising event for student scholarships in each of the six schools.

2006-2007 SIC Members

President

Ms. Shannan Kilpatrick
Graduate School of Biomedical Sciences

Vice President

Ms. Shohrae Hajibashi
Graduate School of Biomedical Sciences
