

Implementing Copyright Clearance Center's Annual Subscription License

July 20, 2009 2:00 – 4:00 pm & July 24, 2009 10:00 – 12:00 pm

Videoconference Agenda

Welcome and acknowledgement of participating institutions

Introduction of videoconference hosts and program presenters

Steve Rosen, Georgia Harper, Sue Phillips

Presentation --

- Source of recommendation to consider a System-wide CCC Annual subscription
- Annual subscription as one aspect of comprehensive approach to copyright risk management
- Cumulating rights to use:
 - Library licenses
 - Works whose copyright owners make them freely available online (including open access, CC licensed works and implied licenses to use for nonprofit educational purposes)
 - Fair use, public domain works (government works, for example)
 - Annual subscription
- Surveying a random sample of course reading lists to determine, by generalization, what remains unauthorized after all rights possibilities have been considered
 - Taking steps to reduce the gap between what's authorized and what's not authorized
- Extending your license rights to your area copy shops

Question and Answer session
