### **Faculty Positions**

---

- 2009 - Present     **University of Texas Medical School at Houston**  
Assistant Professor  
Department of Otorhinolaryngology Head and Neck Surgery
- 2009 - Present     **Chief of Otorhinolaryngology Head and Neck Surgery**  
Lyndon B Johnson General Hospital, Houston, TX

### **Post- Graduate Training**

---

- 2008-2009         **Head and Neck Oncologic Surgery Fellow**  
University of Texas MD Anderson Cancer Center, Houston, Texas
- 2007-2008         **Chief Resident- Otorhinolaryngology Head and Neck Surgery**  
University of Texas Medical School at Houston, Houston, Texas
- 2004-2007         **Otorhinolaryngology Head and Neck Surgery**  
University of Texas Medical School at Houston, Houston, Texas
- 2003-2004         **General Surgery Intern**  
University of Texas Medical School at Houston, Houston, Texas

### **Education**

---

- 2003                 **Doctor of Medicine**  
Albert Einstein College of Medicine of Yeshiva University  
Bronx, New York.
- 1999                 **Bachelor of Arts (Chemistry)**  
Yeshiva University  
New York, New York.  
Cum Laude
- 1996                 **Rabbinical Seminary**  
Neveh Tzion Theological Seminary  
Kiryat Telshe Stone, Israel

### **Medical Licensure**

---

2009 – Present      Texas

### **Board Certification**

---

2009                      **American Board of Otolaryngology**  
Certificate #19947

### **Publications**

---

### **Committees and Other Professional Activities**

---

2011                      Surgical Director, Head and Neck Cancer Tumor Board  
Lyndon B. Johnson General Hospital, Houston, TX

2011                      Clinical Research Unit Steering Committee member  
Lyndon B. Johnson General Hospital, Houston, TX

2010 – Present              Departmental EMR coordinator  
Lyndon B. Johnson General Hospital, Houston, TX

2010 – Present              Otorhinolaryngology Service Line EMR coordinator  
Memorial Hermann Hospital – Texas Medical Center

2009 – Present              Chief of Otorhinolaryngology Head and Neck Surgery

	Lyndon B. Johnson General Hospital, Houston, TX
2009 – Present	LBJ Executive Administration Committee member Lyndon B. Johnson General Hospital, Houston, TX
2009 – Present	OR Committee member Lyndon B. Johnson General Hospital, Houston, TX
2009 – Present	Site Director for Otorhinolaryngology Residency Lyndon B. Johnson General Hospital, Houston, TX
2009 – Present	Educational Committee member Department of Otorhinolaryngology- Head and Neck Surgery, University of Texas Medical School at Houston, Houston, TX
2009 – Present	Electronic Medical Records Committee, Department of Otorhinolaryngology- Head and Neck Surgery, University of Texas Medical School at Houston, Houston, TX

### **Teaching Responsibilities**

---

2011	Site Director, Anesthesia Intern ENT Education, LBJ Hospital Department of Anesthesia University of Texas Medical School at Houston
2010	Faculty Preceptor, Joint Admissions Medical Program University of Texas Medical School at Houston
5/2010	Faculty, Surgical Approaches and Techniques in Facial Trauma and Reconstruction Advanced Course University of Texas Medical School at Houston
2006- Present	Medical School Core Lecturer, Physical Diagnosis Course University of Texas Medical School at Houston
2009- Present	Faculty Preceptor, Physical Diagnosis Medical School Course University of Texas Medical School at Houston
2007-2008	Astronaut Otolaryngology Training NASA International Space Station / Space Shuttle Program
2002-2003	Teaching Assistant Anatomy and Physiology Albert Einstein College of Medicine

### **Research**

---

Investigator	Characterization of Suspicious Oral Lesions Using Novel Lab-on-a-Chip Ensembles
--------------	--

University of Texas Medical School at Houston  
University of Texas Dental Branch at Houston  
Rice University  
Lyndon B. Johnson General Hospital

Investigator University of Texas Cancer Bioinformatics Program  
University of Texas Medical School at Houston

Investigator Tumor Tissue and Laboratory in Head and Neck Cancer  
University of Texas Medical School at Houston

### **Honors and Awards**

---

- 2011 **Innovation Trailblazer Award, LBJ Hospital**  
Award for creation of a OR process that reduced surgical wait times by greater than 50%
- 2011 **UT Physicians Best Employee Award, Shout Out Recognition**  
February, 2011
- 2007, 2008 **Resident of the Year**, University of Texas Medical School at Houston  
Department of Otorhinolaryngology Head and Neck Surgery
- 2008 **University of Texas Medical School at Houston Department of Otorhinolaryngology Head and Neck Surgery Resident Research Competition, Second Place**
- 2007 **University of Texas Medical School at Houston Department of Otorhinolaryngology Head and Neck Surgery Resident Research Competition, First Place**
- 2003 **Yeshiva University Graduation Marshal**, Accepted diploma on behalf of the graduating class of Albert Einstein College of Medicine
- 2000 **Ralph Ger Anatomy Award**, First Runner-Up, Albert Einstein College of Medicine
- 1999 **Distinction in Chemistry**, Yeshiva University
- 1999 **Yeshiva University Graduation Marshal**, Accepted diploma on behalf of the entire school
- 1997 - 1999 **Alpha Epsilon Delta Premedical Honor Society**, Inductee and Associate editor of the annual AED Honor Society Journal
- 1995 **Graduating Class Valedictorian**, Taryag Academy, Brooklyn, NY

### **National Presentations**

---

- 9/2005 Bronchosopic Assisted Neonatal Tracheostomy  
Poster Presentation  
American Academy of Otolaryngology Head and Neck Surgery Annual Meeting  
Los Angeles, CA
- 9/2005 Pleomorphic Adenoma: The MD Anderson Experience  
Poster Presentation  
American Academy of Otolaryngology Head and Neck Surgery Annual Meeting  
Los Angeles, CA
- 10/2006 Predictors of Level V Metastasis in Well-Differentiated Thyroid Cancer

Poster Presentation  
Crile Centennial Symposium at the Cleveland Clinic  
Cleveland, OH

9/2007 Body Position and Obstructive Sleep Apnea in Eight to Twelve Month Old Infants  
Poster Presentation  
American Academy of Otolaryngology Head and Neck Surgery Annual Meeting  
Washington, D.C.

4/2008 Reconstruction of Extensive Head and Neck Defects With Multiple Simultaneous  
Free Flaps  
Poster Presentation  
American Academy of Plastic Surgeons Annual Meeting  
Boston, MA

---

**CME Lectures**

---

2/2004 Cerebrospinal Fluid Leaks, Identification and Management  
Department of Oral and Maxillofacial Surgery Grand Rounds, University of Texas  
Medical School Houston  
Houston, TX

4/2005 Techniques for Reconstruction of Lip Defects  
Department of Head and Neck Surgery Grand Rounds, MD Anderson Cancer  
Center  
Houston, TX

6/2005 Current Advances and Management in CSF Rhinorrhea  
Department of Otorhinolaryngology Head and Neck Surgery Grand Rounds,  
University of Texas Medical School Houston  
Houston, TX

6/2005 Lip Cancer and Reconstruction  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston  
Houston, TX

1/2006 The Modern Facelift  
Department of Otorhinolaryngology Head and Neck Surgery Grand Rounds,  
University of Texas Medical School Houston  
Houston, TX

5/2006 Chemotherapy for the Head and Neck Surgeon  
Department of Head and Neck Surgery Grand Rounds, MD Anderson Cancer  
Center  
Houston, TX

6/2006 Management of Intractable Aspiration  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston

- Houston, TX
- 8/2006 Congenital Auricular Anomalies; Causes, Diagnosis and Management  
Department of Otorhinolaryngology Head and Neck Surgery Grand Rounds,  
University of Texas Medical School Houston  
Houston, TX
- 11/2006 Management of Invasive Thyroid Carcinoma  
Department of Head and Neck Surgery Grand Rounds, MD Anderson Cancer  
Center  
Houston, TX
- 12/2006 Reanimation of the Paralyzed Face  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston  
Houston, TX
- 7/2007 Emergency Room Procedures in Otolaryngology  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston  
Houston, TX
- 8/2007 Management of the Aspirating Patient  
Department of Otorhinolaryngology Head and Neck Surgery Grand Rounds,  
University of Texas Medical School Houston  
Houston, TX
- 9/2007 Difficult Case Presentations in Otolaryngology  
Department of Otorhinolaryngology Head and Neck Surgery Radiology & Pathology  
Lecture, University of Texas Medical School Houston  
Houston, TX
- 10/2007 Difficult Case Presentations in Otolaryngology  
Department of Otorhinolaryngology Head and Neck Surgery Radiology & Pathology  
Lecture, University of Texas Medical School Houston  
Houston, TX
- 1/2008 Facial Nerve Disorders and Paralysis: A Clinical and Surgical Management Algorithm  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston  
Houston, TX
- 1/2008 Difficult Case Presentations in Otolaryngology  
Department of Otorhinolaryngology Head and Neck Surgery Radiology & Pathology  
Lecture, University of Texas Medical School Houston  
Houston, TX
- 3/2008 Evaluation of the Facial Trauma Patient From An Otolaryngologic Perspective;  
Laryngeal and Temporal Bone Trauma

- Mutidisciplinary Facial Trauma Conference Lecture, University of Texas Medical School Houston  
Houston, TX
- 7/2009      Head and Neck Emergencies  
Department of Otorhinolaryngology Head and Neck Surgery Core Lecture,  
University of Texas Medical School Houston  
Houston, TX
- 9/2009      Tracheostomy – Indications, Management and Pitfalls  
Department of Critical Care Lecture, Lyndon B. Johnson General Hospital  
Houston, TX
- 1/2010      Management of Invasive Thyroid Carcinoma – A Surgeon’s Perspective  
Department of Endocrinology Grand Rounds, University of Texas Medical School  
Houston  
Houston, TX
- 5/2010      Neck Dissection – Indications, Classifications, and Techniques  
Department of Oral and Maxillofacial Surgery Grand Rounds, University of Texas  
Medical School Houston  
Houston, TX
- 7/2010      Invasive Thyroid Carcinoma – A unique disease in the spectrum of thyroid  
malignancies  
Department of Otorhinolaryngology Head and Neck Surgery Grand Rounds,  
University of Texas Medical School Houston  
Houston, TX
- 6/2011      The Role of Neck Dissection in the care of the Head and Neck Cancer Patient  
Department of Oral and Maxillofacial Surgery Grand Rounds, University of Texas  
Medical School Houston  
Houston, TX
