

Three students named Webber Prize winners

A three-way tie prevailed at the 2009 Research Forum & C. Frank Webber Prize for Student Research Competition.

Christopher Conner, faculty mentor Dr. Nitin Tandon; Michelle Scerbo, faculty mentor Dr. John Holcomb; and **Derek Moore, faculty mentor Dr. Heidi Kaplan**; all received top honors at the annual competition.

The forum and competition is a venue for second-year medical students who participated in the Medical School's Summer Research Program.

2009 Research Forum & C. Frank Webber Prize for Student Research Competition winners: Michelle Scerbo, Derek Moore, and Christopher Conner.

The Webber Prize for Student Research is granted to outstanding student research and established in memory of Dr. C. Frank Webber, former dean of the Medical School.

Faculty members also were honored for their contributions to the program: **Dr. Catherine Ambrose**, Dr. Heidi Kaplan, Dr. Marie-Francoise Doursout, and Dr. Lenard Lichtenberger.
