

ELECTRON MICROSCOPY LABORATORY RESEARCH FEE SCHEDULE

<i>SERVICE</i>	<i>Charge for U.T. In-House Research</i>	<i>Charge for Educational Institutions other than U.T.</i>	<i>Charge for Commercial Clients</i>
Flat Fee for Electron Microscopy Service* (per specimen)	\$350.00	\$650.00	\$750.00

* Flat Fee for Electron Microscopy Service includes:

- Consultation with investigator regarding project goals and specimen criteria
- Specimen Fixation, Processing & Embedding
- Thick Sections, Mount & Stain (Toluidine Blue)
- Ultra-Thin Sections
- Post Staining (Uranyl Acetate & Lead Citrate)
- Screening on JEOL 1200EX Electron Microscope
- Digital acquisition on Gatan Imaging System

<i>SERVICE</i>	<i>Charge for U.T. In-House Research</i>	<i>Charge for Educational Institutions other than U.T.</i>	<i>Charge for Commercial Clients</i>
Processing & Embedding (per specimen)	\$80.00	\$150.00	\$175.00
Thick Sections, Mount, & Stain (per block)	\$25.00	\$45.00	\$50.00
Ultra-Thin Sections, Mount, & Stain	\$45.00	\$85.00	\$105.00
Scope Time – Routine TEM (JEOL 1200 EX) • Minimum charge = 2 hour	\$100.00/hour	\$185.00/hour	\$210.00/hour
Negative Staining or Shadowing (per specimen)	\$10.00	\$18.00	\$20.00

Please inquire regarding special pricing for large projects or non-routine specimen processing.
