Clinical Gastroenterology and Hepatology: Reviewer. 2007 – present

UNIVERSITY ACTIVITIES:

Director of Hepatitis C clinic, UAB Liver Center	2007 – 2008
Director of Hepatitis C Research Program UAB Liver Center	2007 – 2008
Co-Director Clinical Research Program Division of Gastroenterology & Hepatology , UAB	2007 – 2008

MAJOR RESEARCH INTERESTS:

Research interest is Hepatitis C treatment with specific focus: factors affecting sustained virological response, mainly insulin resistance, and new treatment options for non-responders and relapsers. Because of its increasing prevalence, immense social repercussions and still unanswered queries regarding this fascinating illnesses treatment, I am involved in projects regarding the management of Hepatitis C.
