

INTERNAL MEDICINE

NORTH, TEXAS – Horses to Porsches is what this exceptional opportunity represents. This is a city of 50,000 residents and home to several Fortune 100 industries as well as to Austin College, a vibrant arts community, and abundant recreational opportunities. Excellent schools, beautiful scenery, and a variety of shopping, restaurants and hotels add to the community.

This city is 60 miles north of Dallas – close enough to the Dallas-Fort Worth Metroplex to access the urban amenities – yet still retains an unhurried and friendly atmosphere of smaller communities. It also has a richly diverse history, and is only 10 miles south of Lake Texoma, one of the largest reservoirs in the state of Texas and well known for its champion bass fishing, sailing, camping and hiking.
