

**Wilde 1**

## ***CURRICULUM VITAE***

**Name:** Mark C. Wilde  
**Present Title:** Assistant Professor  
**Home Address:** 932 Byrne  
Houston, TX 77009  
**Date of Birth:** August 12, 1961  
**Citizenship:** U.S.A.

### **Undergraduate Education:**

Loyola University of Chicago, B.S. Major: Psychology,  
Minor; Philosophy; 1980.

### ***Graduate Education:***

Forest Institute of Professional Psychology, M.A., Psychology. 1989

Forest Institute of Professional Psychology, Psy.D., Clinical Psychology. 1991

### **Clinical and Post Graduate Training:**

Clinical Psychology Internship: The University of Texas Medical Branch (APA Accredited). 1990-1991

Postdoctoral Fellowship in Clinical Neuropsychology: Baylor College of Medicine. Advisor: Mark Sherer, Ph.D. ABPP and Corwin Boake, Ph.D. ABPP. A two year Division APA 40 fellowship in clinical neuropsychology with clinical, didactic, and research components through the University of Houston, Baylor College of Medicine, The Institute for Rehabilitation and Research, MD Anderson Cancer Center, and the University of Texas Medical School 1992-1994.

### **Board Certification:**

Diplomate in Clinical Neuropsychology: 2002 from the American Board of Professional Psychology (ABPP).

## **Wilde 2**

### **Prior Positions:**

Sheltering Arms Rehabilitation Hospital: Richmond, VA Staff Neuropsychologist  
1994-1997.

University of Texas Medical School-Houston: Department of Paediatrics Staff  
Psychologist 1991-1992.

### ***Academic Appointments:***

Mar 97-Present: Assistant Professor: University of Texas Health Science Center  
at Houston: Department of Physical Medicine and Rehabilitation.

### ***Hospital Appointments:***

Clinical Neuropsychologist, Hermann Hospital, Houston, TX.  
Clinical Neuropsychologist, Hermann Comprehensive Outpatient Rehabilitation  
Center, Houston, TX

### ***Certification:***

Certified Psychologist: State of Texas.

### ***Licensing:***

Licensed Psychologist: State of Texas, No. 25025.

### ***Professional Society Memberships:***

American Psychological Association -Member 1991-Present.

APA Division 40 Clinical Neuropsychology-Member 1992-Present.

International Neuropsychological Society-Member 1992-Present.

Houston Neuropsychological Society-Member 1998-Present.

American Academy of Clinical Neuropsychology 2002-Present.

### ***Service on Medical School and Departmental Committies:***

Baylor/University of Texas Alliance Undergraduate Medical Education  
Committee

### **Wilde 3**

UT Faculty Senate 2000-2006.

Departmental Compliance Committee (Chair).

Departmental Compliance Officer.

Baylor/University of Texas Alliance Research Committee

UT Medical School Compliance And Ethics Committee

#### ***Hospital Committies:***

Hermann Hospital Rehabilitation Advisory Group.

#### ***Professional Activities:***

Examiner for Texas State Board of Psychologists 2005-Present.

Examiner for American Academy of Clinical Neuropsychology 2002-Present.

#### ***Teaching Responsibilities:***

Presentation of monthly didactic lectures to the residents and medical students rotating through the Hermann Hospital Rehabilitation Unit. The titles of these lectures are:

Brain Behavior Relationships.

Mental Status Examination.

Teach sections on Case Presentation Skills for Medical Students in Introduction to Clinical Medicine.

Provide clinical training for Clinical Psychology Graduate students from outside of the Medical School.

#### ***Current Grant Support:***

None

#### ***Past Grant Support:***

## **Wilde 4**

Northstar Neuroscience: Project Title: Safety and Effectiveness of Cortical Stimulation in the Treatment of Upper Extremity Hemiparesis 2006-2007.

Dynasplint Corporation: Project title: Splinting and Botox in the Treatment of Spasticity 2003-2005.

Moody Foundation: Project title: Sleep Disorders in Traumatic Brain Injury (through December 2001; Total award: \$6,000.

Department of Education Rehabilitation Research Training Center: Subcontract under project title: Rehabilitation Research Training Center Grant on Rehabilitation Interventions in Traumatic Brain Injury (through January 1999; total award \$24,800).

### **Journal Reviewerships**

Ad-hoc Reviewer      The Clinical Neuropsychologist  
Journal of Clinical and Experimental Neuropsychology  
Archives of Clinical Neuropsychology  
Movement Disorders

### **Abstracts & Research Presentations:**

Francisco GE, Lai JM, Wilde MC, et al. The effect of combined dynamic orthosis and botulinum toxin-A for upper limb spastic hypertonia management: a randomized, pilot trial. *Am J Phys Med Rehabil.* 2008; 89(Supplement):S9
