

**Seventh International Conference
on the Ultrasonic Measurement and Imaging
of Tissue Elasticity[©]
Lake Travis, Austin, Texas, USA
October 27 – 30, 2008**

2008 Poster Presentation Instructions

Overall poster size: **46 x 46 inches** (116 x 116 cm)

Poster attachments will be supplied by the Conference. No other attachment method will be allowed.

Posters may be prepared as a single sheet or multiple smaller sheets, but must remain within the overall poster size limitations.

Generally, no other media presentations can be accommodated (e.g. computer presentations, movies, slides, vcr or dvd). If necessary, special arrangements may be possible by contacting the Conference Secretariat **BEFORE August 15, 2008**.

Monday, October 27, 2008

Bring the presentation to the Conference for posting between 9:00 am – 12:00 pm*.

During the **Formal Poster Session** on:

Monday, October 27, 2008, 3:30 pm – 5:30 pm*

Each presenter is requested to stand or sit next to his/her poster presentation(s) and remain there throughout the entire Formal Poster Session.

Each presenter will have the option to give a 2 minute oral summary of his/her work when instructed by the Session Chair. A microphone will be provided. Questions may be answered after all oral summaries have been presented.

All poster presenters are kindly requested to notify the Conference Secretariat whether an oral presentation will or will not be given by indicating a preference on the Abstract Submission Form.

Thursday, October 30, 2008

Please leave all poster presentations posted **through** the final coffee break on the last afternoon of the Conference. Poster presentations may be removed **after** the final coffee break through 6:00 pm*. Any posters left behind will be discarded unless special arrangements have been previously made.

* All times subject to change. Check the [Preliminary Programs](#) as they are posted on the [Conference Web Site](#) for time changes and the Final Program for final times.
