## Looking for Professional Development?

### Trying to determine your career

The Texas Early Childhood Professional Development System (TECPDS) offers several tools/resources to help early childhood professionals obtain the knowledge and skills they need to best serve the children and the families they work with.

The purpose of this system is to provide an avenue for early childhood professionals to pursue their professional development along a continuum of increasingly complex education and skill levels.

### Reasons to visit the TECPDS website:

- Texas Trainer Registry
- Statewide Calendar of Events
- College Listing
- List of online PD Resources
- Resources for Trainers

### What's To Come:

- EC Workforce Registry
- Statewide Job Board
- Online PD Planning Tool
- College Directory Search Tool
- Career Ladder
- Revised Core Competencies
- ...more details on back!
