

**ADMINISTRATIVE REQUEST
FOR COURT-ORDERED SERVICES**

Probate Court 3 and 4

Your Honor:

We are recommending commitment proceedings be initiated on the above voluntary patient whose diagnosis is:

Although the patient is not requesting discharge, court-ordered services are necessary because patient meets the criteria for court-ordered mental health services and:

CHECK ONE OR MORE AS INDICATED:

- _____ (1) he/she is absent without authorization; or
- _____ (2) he/she is unable to consent to appropriate and necessary psychiatric treatment; or
- _____ (3) he/she refuses to consent to appropriate and necessary psychiatric treatment.

Thank you for your assistance.
