Beginning with the End in Mind:

A mission driven, integrated approach to creating The Leading EDGE curriculum

Beth Nelson, MD; Andrew Bergemann, PhD; Alan Rampy, DO, PhD; Dee Silverthorn, PhD; Michael Lee, PhD; Natalie Steinel, PhD; Marvin Whiteley, PhD; Jorge Taboada, MD; Brian Miller, PhD; John Luk, MD; Christina Gutierrez, BS; and Sue Cox, MD

Our Mission: Revolutionize how people get and stay healthy by

**Educating leaders** who transform health care;

**Evolving new models** of person-centered, multidisciplinary care that reward value;

**Advancing innovation** from discovery to outcomes;

**Improving health** in our community as a model for the nation; and

**Redesigning** the academic health environment to better serve society
